Great American Triathlon (2020 Cancelled)

2020 Event is Cancelled

It is with tremendous sadness that we are announcing the cancellation of this year's Great American Triathlon presented by Innovations Health. Given the uncertainty of the COVID-19 virus, we hope you understand that this is the only responsible course of action.

We are offering our entrants the following two options:

1. Deferral of your team or Ironperson entry to the 2021 Great American Triathlon scheduled for July 17, 2021
2. A full refund of your entry fee (less the original processing fee)

Please choose your option by Friday, May 8th.

If you do not make a selection by then, we will automatically defer your entry to next year's event and send you a registration code when 2021 registration opens.

To submit your option please follow these steps:

1. Visit your Race Roster Participant Dashboard here
2. Locate the Great American Triathlon icon and click "View Registration." If you do not see your registration, please scroll down to the claim section of your dashboard and click "Claim" next to the Great American Triathlon icon.
3. Click "Edit Registration" in the right hand corner.
4. Select the option you would like under "Alternative Registration Options" and click "Save" to submit your choice.

***For team registrations, the captain must make a selection for the team. Non-captain team members may not make a selection.**

Access your Race Roster Profile

We are extremely sorry we are unable to build on the success of our inaugural event and celebrate another fabulous Great American Triathlon with you.

Please stay healthy and safe and mark July 17, 2021 on your calendar for next year's Great American Triathlon. We look forward to seeing you for another great event.

Best wishes,

Ken McGuire and the GAT organizing committee
